

BYOB Looks Challenge – Stage Version

Student Name _____

Date _____

3RD BYOB CHALLENGE

Part 1

Create a Second Background for the Stage

Click on the Stage Icon near the bottom right corner. Click on the Background tab above the panel area. Make a copy of the background and edit it. Ensure that it is easy to distinguish between the two backgrounds.

Part 2

Test all the Looks Blocks

Part 3

Programming Time (AKA Winning!)

Complete one of each difficulty level. Fill in the corresponding square with a colour of your choosing.

Novice Level

- ☐ Draw a video game background
- ☐ Draw a home against a sunset for your sprite

Advanced Level

- ☐ Create a checkers board using the mosaic effect
- ☐ Create a whirling hot chocolate in a cup

Expert Level

- ☐ Create a scrolling background as your sprite moves

Part 4

Save Your Programs and Record the names: _____
